

Further Help & Reading

The Consensus Institute was formed in 1990 to promote consensus-based decision-making in the Green Movement and throughout the progressive movement at large. We publish guide books on consensus and conduct workshops. If you would like to order materials or arrange a workshop in your area, don't hesitate to contact us.

To order copies of Consensus Institute titles, please send \$2.00 per copy (unless otherwise indicated below), payable to "The 4th Wave," to:

Consensus for Greens

A step-by-step guide through a practical model for consensus-based decision-making.

Understanding Green Party Statewide Process

This orientation to the history and procedures of the Green Party of California is a must for all statewide delegates, new and old.

Green Campaigns

Organizing principles that set Green campaigning apart from other parties. Pivotal is the consensus-based Campaign Team.

Facilitating Consensus

A companion to Consensus for Greens, this is a compendium of techniques for facilitating each level of consensus.

The Radical Center: How the Green Party is Reinventing Politics

An exploration of what "New Paradigm Politics" is really all about.

Rules for Reaching Consensus

The principles of Consensus for Greens and Facilitating Consensus have been packaged for the general business and organizational world by Pfeiffer & Co. Great for churches, nonprofits, government. \$10
