GPCA POST-PLENARY REPORT
Fullerton / Orange County Plenary, Dec. 6-7, 2003

The Coordinating Committee wishes to thank everyone for attending the general assembly in Fullerton. We also want to give a hardy ‘thanks’ to the hosting committee and to the CC for a difficult job well done. The facilities were great and the Plenary well organized and productive. A Summary of Decisions made at the Plenary can be found at the end of this report.

Complete minutes of Plenaries and Working Group and Standing Committee meetings will be found on our website at: http://www.greens.org/plenary/archives/agendas/03129Min_OC.txt. (Note that the common GPCA login/password are required to view the minutes until they are approved at the next plenary.)

NEXT PLENARIES
Due to the demands of the 2004 presidential election cycle, we will have two general assemblies in fairly close succession. We also have the national Presidential Nominating Convention this summer. Here's the dates:

General Assembly - March 27-28 in San Francisco
  The CC will meet Fri. night, the 26th.
  Due date for agenda packet submittals is Jan. 30.
  Plenary delegate lists must be received from all counties by Sunday, March 21.

General Assembly - June 5-6 in Sacramento
  The CC will meet Fri. night, the 4th.
  Due date for agenda packet submittals is Apr. 9.
  Plenary delegate lists must be received from all counties by Sunday, May 30.

Nominating Convention - June 23-28 in Milwaukee, Wisconsin

Committee coordinators: The June general assembly will have to deal with a lot of issues regarding the nominating convention. As such, there will likely be limited time for proposals.

Our Treasurer, Mike Wyman would like to remind Locals to pay counties their monthly dues. Remember that we no longer have the income tax check-off that used to fund 75% of our budget. Dues are the greater of either A) 10% of the month's gross margin (Revenue - Costs = Gross Margin); or B) $5.00 per month.

SUBMITTING AGENDA ITEMS
All items for the agenda must received by the agenda committee at least 60 days prior to the general assembly, since the goal for sending out the agenda packet is 45 days prior to the assembly. The agenda committee is an ad-hoc group of Coordinating Committee (CC) members responsible for organizing the next general assembly.

If you have an item you would like included in the agenda packet for the next general assembly (plenary not gathering), please follow these guidelines for agenda packet submittals:

PROPOSALS
Plan in advance! A proposal that requires an official vote of the Party must first be submitted to the working group (WG) or committee that is likely to deal with that particular issue. WGs and committees are responsible for sponsoring proposals, so they will work with the originator in preparing the presentation. Be advised that it is the WG's responsibility to determine if the proposal is ready to be presented. When the proposal is ready, it is sent to the agenda committee for inclusion in the agenda packet and scheduling of time.
Sometimes a proposal does not seem appropriate for an existing working group or committee. In those cases, send it to the CC through your regional representative, but we would like to keep this to a minimum. Proposals should be written in the established proposal format. A sample of the format is included.

CONSENT CALENDAR
Simple, straight-forward proposals -- such as endorsing a worthy green cause -- may be put on the "consent calendar." This is a list of easily-approved proposals that will be put before the plenary as one, inclusive item. At the plenary, if anyone feels a particular issue in the list needs discussion, it will be pulled from the calendar and assigned to an appropriate WG or Committee.

It is up to the agenda committee and the CC to determine if a proposal fits the consent calendar criteria, and it can be pulled from the calendar by any concern at the plenary, so be judicious about what you submit.

ANNOUNCEMENTS
There is a limited amount of space in the agenda packet (due to cost constraints) so announcements are not usually included. The agenda does include a general announcement period for people to make brief announcement to the plenary session. Email submittals are preferred. We appreciate your cooperation in following these guidelines. This helps us keep the Green Party running more smoothly.
