# *The California Green New Deal*

---

## **ECONOMIC BILL OF RIGHTS**

- Workers' right to a living wage, unions, fair trade, safe workplace, and fair taxation
- Right to quality healthcare and affordable housing
- Right to free, quality, publicly funded education

## **GREEN TRANSITION**

- Publicly-owned safe and clean renewable energy for a solar California
- Fossil fuel taxes and energy efficient public transit
- Prioritized green businesses, investments, research

## **REAL FINANCIAL REFORM**

- Relieve homeowner and student debt burdens
- A public state bank that invests in California not Wall Street
- Enact progressive and fair taxation

## **A FUNCTIONING JUST DEMOCRACY**

- Enact publicly-financed elections and open the debates
  - Eliminate lobbyists influence in our government
  - Police accountability, Black Lives Matter, gun control & safety
  - Justice System Reform; end death penalty, legalize marijuana
  - Oppose the privatized prisons and military industrial complex
-
