Background

This is the ranked choice vote for the GPCA to take a position on Proposition 72: SCA 9 (Resolution Chapter 1, Statutes of 2018), Glazer. Property tax: new construction exclusion: rain water capture system.

The choices are to rank 'endorse', 'oppose', 'no position' and/or 'abstain.' Delegates can rank as many or few of these options in their order of preference.

An 'endorse' vote would mean the GPCA would endorse Proposition 72.

An 'oppose' vote means the GPCA would oppose Proposition 72.

A 'no position' vote means the GPCA would not take a position on Proposition 72.

An 'abstain' vote means the voter is not expressing a preference, but is voting to help achieve quorum.

Any of these position that receives 2/3 after all preferences are transferred is the position of the party. If neither 'endorse' nor 'opposes' receive 2/3, the GPCA's position will be 'no position'.
