

Health Care

costs per person

GREEN
PARTY CA

CaGreens.org

In 35 other countries, people enjoy better health care at a much lower cost. No co-pays, no deductibles, and everyone is covered. In the U.S., 30 million people have no health insurance and another 40 million are underinsured.

**Assemblymember
or Senator:**

Please introduce **Improved Medicare for All** legislation. Help break our reliance on for-profit health care providers who deny access to affordable health care.
